INTERNATIONAL 2018

Innovation and Collaboration in ENT

4-6 July 2018 | Manchester Central, UK

PRELIMINARY PROGRAMME NOW AVAILABLE ONLINE

Offering a multi-stream education conference with relevant and practical sessions covering key areas within ENT, BACO International 2018 is ENT UK's largest educational conference and exhibition.

The following topics will be presented in a mix of engaging, interactive formats ranging from live-streaming Cadaver dissection, instructional sessions as well as the more traditional plenary sessions and Society-led symposia.

- Audiology
- Education
- Facial Plastic Reconstructive Surgery
- General ENT
- Head & Neck Surgery
- Laryngology
- Otology & Neurotology
- Paediatric ORL
- Rhinology/Anterior skull base surgery
- Speech and Language Therapy
- Voice Care

Plus, Student and Foundation Doctors in Otolaryngology (SFO) day on Thursday 5 July!

OUR WORLD-CLASS SPEAKER LINE-UP INCLUDES:

Professor Paolo Castelnovo

Professor Per Caye-Thomasen

Dr Clark Rosen

Dr John Rutka

Dr Kishore Sandu

Professor Kyung Tae

LEARN HOW TO USE THE DA VINCI ROBOT!

In recognition of the developing importance of simulation in surgical training, BACO International 2018 has given the Clinical Skills Centre pride of place in the extensive exhibition trade hall. Centre stage will be the da Vinci robot!

NETWORK AND EXPERIENCE MANCHESTER

The Scientific Programme is complemented by a less formal and more inclusive social programme. Don't miss the opportunity to visit Manchester United or enjoy an evening with friends and colleagues at the BACO party.

REGISTER NOW to attend BACO International 2018!

Early bird deadline 3 April
